NOTE.

The books in the accompanying list comprise a valuable collection of rare, old and modern works in all classes of medical literature, as well as a large collection of medical periodicals—complete sets and odd volumes.

The books are all in good condition, unless otherwise stated, and the prices affixed lower than can be found in any other catalogue of second-hand books.

In ordering, give the number and author's name or title. Payment must be made by draft or Post-Office order, at the time of ordering the books; which will be sent, at the expense of the purchaser, by express, unless otherwise ordered. Address

CHARLES P. FISHER, *Librarian*,
